What you need to know about receiving the flu vaccine:

- All flu vaccine clinics are held on a walk-in basis. All SASD employees and spouses insured through the SASD health plan can attend the above vaccine clinics. *Dependents on the SASD health plan* are welcome to attend the flu vaccine clinics at the InHealth Clinic location only.
- Flu vaccines are available at no charge to members of the SASD health plan. Employees must show their ID badges if they are not insured and all insured members must present their insurance card.
- All flu vaccines are quadrivalent.
- Flu vaccine clinics are for flu vaccines only. If you are looking to receive additional vaccines, or if the above dates will not work for your schedule, you must schedule an appointment at the InHealth Clinic.
- Health plan employees and spouses will receive 50 points for receiving a flu vaccine at the InHealth Clinic or one of the above events. Employees and Spouses will have the option of points program year (2016-2017 or 2017-2018) if their vaccine is administered by 10/31/17.
