Select your state and doctor network above. If you're not sure which network your plan provides, or want more detailed information about your plan, please contact your Plan Administrator. Searching for a VSP provider doesn't guarantee your eligibility or coverage. [Log in](#) to view more information and tools to help you manage your benefits.

To report a directory inaccuracy, contact VSP at 800-877-7195 or email [directory@vsp.com](mailto:directory@vsp.com) to submit a report.

The VSP Global Premier Program is intended to help VSP members maximize their vision care benefits. The Premier indicator is not meant as a designation of care quality as all of our doctors already meet VSP's high quality standards for professional services. The doctor's information and Premier status is subject to change. Premier Program elements may be modified and substituted by VSP from time to time.

Not all provider locations offer all services. Eye exams may be performed by Independent Doctors of Optometry at a location adjacent to retail locations, as required by law. Please check with your VSP doctor to find out if he or she provides the services you need.

VSP contracted providers cannot discriminate against the hearing impaired, developmentally challenged and/or physically challenged. They must also allow full and equal access to covered services, including insureds with disabilities as required under the federal Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

The information provided is supplied by the individual providers, subject to regular audits, and based on our records as of the date of the search and/or printing of the directory.

If there's a conflict between this information and your organization's contract with VSP, the terms of the contract prevail.
