

The Wolf Pack Report

January 2018

A PBIS family newsletter from Wilson Elementary School.

Parent-Teacher Conferences are on Thursday, Feb. 15 and Friday, Feb. 16.

Please stay tuned for more information on how to sign up for your conference times in Skyward. The Scholastic Book Fair will be held in the library during conference hours.

Focus on Cool Tools

This month students learned about:

- Jan 8 : Snow Play
- Jan 22 : PBIS Booster “Go for the GOLD”
- Jan 29 : Jump Rope for Heart information and “Go for the GOLD”

You can help reinforce these lessons at home by:

- Reviewing “Snow Play Expectations” of no sliding on the ice, no throwing snowballs, and don’t destroy snow creations (but feel free to add to them!)
- Dressing your child for the cold weather, including hats, boots, mittens, and winter jackets.
- Reviewing the school’s matrix (Safe, Respectful, and Responsible) with your child to help them have an awesome second semester.

From the School Counselor...

Parents play a vital role in his/her child’s life. As a working parent, I wondered how I could become more involved in my children’s school life. Here are some tips to help you be involved in your child’s school life:

1. Attend open houses and Parent/Teacher Conferences on a regular basis. (February 15th and 16th)
2. Read ALL communication sent home from school.
3. Contact the teacher by phone or email to discuss status of your child.
4. Cooperate with suggestions given by school personnel for your child’s academic success.
5. Join the school’s parent organization.

Dates to Remember

Feb 8 : Ice Cream Social and Art Show
Feb 12 : PTA Meeting
Feb 15 : Evening Parent/Teacher Conferences and Book Fair
Feb 16 : No School : Parent/Teacher Conferences and Book Fair

Students of the Month: December	101 – Izzy G.	201 – Ryan V.
	102 – Wyatt R.	202 – Valerie Y.
	103 – Caleb G.	203 – Parker V.
	104 – Evalynna L.	204 – Michael S.
	106 – Brittany O.	205 – Emma S.
	107 – Maddie C.	207 – Gwen L.
	108 – Evn S.	208 – Phoenix M.
	109 – Jordan T.	209 – Devin P.
	110 – Koltin B.	210 – Ethan B.
	111 – Leighton B.	211 – Henry W.
	122 – Olivia X.	212 – McKenzie G.
	125 – Jayden L.	
	Art – Hayle G.	Music – Matthew W.
Phy. Ed. – Ellery G.		

Thank you to Student Council for ringing bells last month for the Salvation Army. What a great “4>2” thing to do!

Ice Cream Social and Art Fair

Come celebrate 100 days of school at our Ice Cream Social and Art Fair! This fun night will be held on Thursday, Feb. 8 from 6-7:30pm in the big gym for ice cream.

The Art Fair will be displayed in the corridors.

AND... ACTION!

The 2nd quarter all-school PBIS reward is an exciting MOVIE DAY! The different grade levels will be watching a fun movie together to celebrate our wonderful 2nd quarter behavior.

EAT BREAKFAST AT SCHOOL!

Mornings can be really crazy...the alarm doesn't go off...the kids don't want to get up...there's no time to eat breakfast before the bus comes...or they're just not ready to eat. Or maybe your teenager grabs a can of soda and a candy bar on the way to school. If this sounds like your house, we have good news for you.

Breakfast is served at Wilson School! School breakfast will give your child a healthy start to the day. A nutritious breakfast helps students be more alert so they can learn more in class. Breakfast has vitamins and nutrients for a strong and healthy body.

Breakfast at school is affordable, too. Student breakfast is just \$1.40 per day. If you qualify for free and reduced price meals, you also qualify for the free breakfast program, with no additional paperwork. You can't find a healthy breakfast at such a low cost anywhere else.

Help your child start the day right with school breakfast!

ASBESTOS NOTIFICATION #29 for Parents-Teachers-Employees December 2017

<http://www.sheboygan.k12.wi.us/schools/wilson/families/asbestos-notification.cfm>

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 requires that each student, parent, teacher, employee, union, and PTA/PTO must be notified in writing of the existence of asbestos and the management/operational plan in each of the schools in the Sheboygan Area School District.

Maintenance projects continue throughout the district to repair any damaged asbestos and will continue into 2018. An ongoing operations and maintenance program has been implemented and will remain in effect until all ACBM (asbestos-containing building materials) has been removed from the district's buildings.

The district inspects each building every 180 days to monitor all asbestos between each three-year reinspection and makes all necessary repairs to comply with the law. The three-year reinspection required by law by an independent, qualified inspection company was last completed in summer of 2016.

The inspection report and management plan are available for your inspection/review during normal business hours at the district's Central Support Facility, Facilities Services office. The management plan and subsequent removal plans are also available for inspection at each individual school's principal's office. For a reasonable fee for reproduction, copies of these documents can also be obtained by contacting the district's Facilities Services office.

.....

- Yes! We have read this newsletter and
- would like to be entered to win the PBIS
- family bowling night reward.
-
- Student's Name:
-
- Room #:
- Parent / Guardian Signature:
-
- Cut out & return to school.
