

# The Wolf Pack Report

October 2017

A PBIS family newsletter from Wilson Elementary School.

## What is PBIS?

**PBIS stands for Positive Behavior Intervention and Support.** The goal of the program is to reduce or eliminate poor behavior school-wide through the encouragement of positive behaviors.

## Focus on Cool Tools

Cool Tools are school-wide lessons that target specific behaviors. This month we focused on:

- In your bubble, out of trouble
- Construction Safety
- Bathroom Behaviors
- Problem-Solving
- Hallway Behaviors

Help reinforce these lessons at home by:

- Encouraging your child to respect the space and privacy of others.
- Help your child think through possible solutions to a problem rather than fixing the problem for them.

## Help Us Help Your Child! We Need Your Support!

You are the most important person in your child's life. Here are some ways you can have an impact in your child's academic life.

- Talk with your child about his/her day.
- Parents are teaching partners.
- Ask your children if they have homework. Sit with them while they complete it.
- Keep communication between you and your child's teacher open and active throughout the year.
- Focus on the positive things your child is doing.
- Read with your child.
- Be a positive role model.

## Construction Safety Reminders

While it is fun to watch the progress on our new addition, please help your child remember to stay clear of the construction area. This helps keep your child safe and helps the workers do
