

## High School Make-Up Courses

An opportunity for high school students to make up a semester failed in any of the courses mentioned below. Counselors will recommend enrollment of students in the high school course offerings. Students must register for these courses with his/her counselor no later than **June 8th**. **A maximum of two courses may be taken (1 per session)**. For high school credit recovery courses, one absence, excused or unexcused, will be the maximum for students. Two tardies will be considered as one absence. The second absence or third tardy will result in dismissal from the course and loss of credit. High school credit recovery courses are not open to students who have not yet taken the course or for students who have not failed these courses. Courses with less than eleven students will be cancelled.

All classes will be held at South High School, 1240 Washington Avenue.
