

# ***Middle School 1:1 Chromebook Initiative***

## **Introducing Chromebooks**

In 2015/2016, all middle and high school students in the Sheboygan Area School District (SASD) will be supplied with a Chromebook device. This device is the property of the SASD. The Chromebook will allow students access to StandardsScore, Haiku, Google Apps for Education, educational web-based tools, as well as many other useful websites. The Chromebook device is an educational tool that is not intended for gaming, social networking or high end computing.

## **1:1 Chromebook Initiative**

The mission of the 1:1 Chromebook Initiative is to create a collaborative learning environment for all students. This environment supports engagement with content and promotes self-directed exploration and inquiry among students. Students will be transformed from consumers of information to creators of content and insights. The Board of Education, district staff and community members will continue to play a key role in making highly effective, educational experiences available to all students.

Who?	All Students
What?	Receiving 1:1 Chromebook devices
Where?	Urban Middle School
When?	First week of school
Why?	To eliminate the digital divide and increase student learning

### **PARENT RESPONSIBILITY:**

Visit the following site prior to 2015/2016 Registration:

[2015-2016 Chromebook Registration Site](http://goo.gl/7W8K7g) (<http://goo.gl/7W8K7g>)

Students who have not been registered WILL NOT receive their device during the September Chromebook deployment.

**If you need assistance with the Chromebook Registration process, please attend registration on the following dates.**

August 5th (Farnsworth/Horace Mann)

August 6th (Urban)
