

# MIDWEST RIDDLE

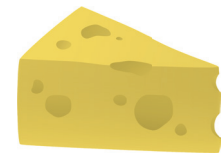

They come in wheels, but they don't roll.

People like it when they get old.

Although they're sharp, and they won't cut,

You'll get a slice, when it's divided up.

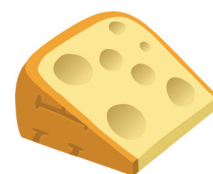

It is made from cow, sheep and goat

Yak, reindeer, camel and buffalo

They are not dirty but there are times

Some people have to wash their rinds

What is the answer to this mystery?

Just take a picture and say “\_\_\_\_\_.”
