Sheboygan Area School District Superintendent Finalists Named

The search for the next superintendent of the Sheboygan Area School District moves forward with the completion of interviews by the Citizen Interview Committee on January 12, 2017. The committee then recommended candidates to the Board of Education for consideration.

The Board of Education reviewed candidates in a closed session meeting on Tuesday, January 24, 2017 and determined which candidates will be interviewed by the Board of Education based on the recommendation from the Citizen Interview Committee as well as application materials.

The following candidates have been named finalists and will continue forward in the interview process:

Jason R Bull is currently the Director of Teaching, Learning and Assessment at Manitowoc Public School District. Prior to working in Manitowoc, Mr. Bull served as the principal of Sheboygan North High School for five years and as an associate principal at North for three years. He received his Superintendent Certification, Master's Degree in Educational Leadership, and Bachelor's Degree in Mathematics and Education from Cardinal Stritch University.

Michael E Trimberger is currently the Principal of Sheboygan South High School and has served in that position for six years. Prior to that role, Mr. Trimberger served as an elementary school principal and middle school associate principal in the Sheboygan Area School District. He received his Bachelor's Degree from Silver Lake College, his Master's Degree in Educational Leadership from Cardinal Stritch University and is working toward completing his Doctorate at University of Wisconsin – Milwaukee in Urban Education.

Finalists will be interviewed by the Board of Education on January 31.

Superintendent Joseph Sheehan will retire on June 30, 2017 and the newly hired superintendent will begin on July 1, 2017.
