

The Wolf Pack Report

December 2017

A PBIS family newsletter from Wilson Elementary School.

When students return to school on January 2, 2018, we will be near the end of the first semester. Please encourage your child to read each day during winter break so that they come back to school ready to continue learning where they left off. If we are fortunate enough to have some snow, enjoy it with your child – have a family snowball fight or build a snowman or two.

Focus on Cool Tools

This month students learned about:

- Nov 27 : Playground Behavior
- Dec 4 : Concert Etiquette
- Dec 11 : Lunchroom Manners and Behavior

You can help reinforce these lessons at home by:

- Reinforcing good manners. When others are speaking or performing we listen and act appropriately.
- Dressing your child for the cold weather - hats, boots, mittens, and winter jackets.
- Changing the spare clothes in your child's locker. Make sure your child has pants, not shorts to change into, if needed.

Where does a snowman keep his money?
In a snow bank.

What kind of ball doesn't bounce?
A snowball.

From the School Counselor...

Encourage positive behavior from your children with these:

Top 5 Positive Behavior Tips

1. Give clear, specific directions
2. Stay calm, use a calm voice. Nagging gets you nowhere!
3. Set reasonable limits. Avoid using "always" or "never"
4. Be CONSISTENT!
5. Set the stage for success. Reward the effort.
