

The Wolf Pack Report

November 2017

A PBIS family newsletter from Wilson Elementary School.

Due to construction, the Winter Sing will be held at South High School in the auditorium this year. There will be two shows. Grades K-2 will sing at 9:00am and grades 3-5 will sing at 1:30pm. The band and strings will also perform at the afternoon program.

Focus on Cool Tools

This month students learned about:

- Stop, Walk, & Talk
- Winter Clothing
- Buddy Bench

You can help reinforce these lessons at home by:

- Encouraging your child to be an 'Upstander' when they see or experience bullying. Visit *The Bully Project* (www.thebullyproject.com) for more information.
- Dressing your child for the upcoming colder weather – hats, boots, mittens, and winter jackets.
- Discussing ways your child can include others in activities and encouraging them to expand their circle of friends.

From the School Counselor...

Work together to make homework happen.

Parents, help your child be successful with homework by:

- Setting up a space for homework away from distractions, with homework tools available.
- Having your child unpack his/her backpack and show you the homework to be done.
- Reviewing the directions for the first activity with your child. Have your child explain to you what needs to be done.

Students, you must do your part, too! Remember to:

- **Have a Positive Attitude** – Try, even when it's hard.
- **Act Responsibly** – Do homework daily – Be on task and focused – Do good quality, neat homework.
- **Work & Play Safely** – Use homework tools safely.
- **Show Respect** – Follow parent's directions.

Shirts, Hats, Pants, and Socks...

See the Wilson homepage for a link to the Wilson Wear online store. Order by Nov. 30th for delivery in mid-December.
