

# CLEVELAND ELEMENTARY SCHOOL

January 8, 2021

Dear Cleveland Parents/Families,

## LETRA ESPAÑOLA

I wanted to **welcome everyone back to Cleveland Elementary Hybrid Learning on January 11th, 2020**. Much of routines will look similar to the fall. Please make sure to complete the district survey regarding your planned commitment for virtual or hybrid learning for the next semester and a communication from our school nurses on best practices for a safe return. As a school community we will be reviewing our Cougar PBIS and Safety rules for Hybrid learning. **Cougar expectations for staff, families and students** for a safe return:

<b>School Hours</b>	School hours are 8:30-2:30 Monday-Friday. Students will enter through the gym doors with social distancing and be dismissed for class. A friendly reminder NO school on Jan 18th and 22nd.
<b>Masking</b>	All students and staff will be required to wear a mask in the school including recess. Mask breaks may be permitted when socially distanced outside.
<b>Class Size</b>	Class sizes remain smaller to allow for adequate social distancing 6 feet of distancing as much as possible within the classroom.
<b>Cleaning</b>	The building cleaning efforts will continue with increased cleaning of high-touch locations and entire school. This includes increased ventilation and increased supplies available within the classroom.
<b>Daily Health Checks</b>	<b>Check your child for symptoms every single school day.</b> Instructions are on the Health & Counseling page of the <a href="#">district website</a> .
<b>Attendance</b>	Student attendance will be taken as normal when they are present at school. If students are home ill or quarantined, work completion or checking in with the teacher will determine their attendance. <b>Please call the office with any absence including the reason.</b>
<b>Technology return</b>	<b>Please plan on bringing any school assigned hotspots/cords, ipads, chromebooks, cords fully charged back to school on January 11th.</b>

Respectfully,

*Jacqueline Iseler*
