Tucker Tips for the Month of October

Tucker Tips are guidelines for teachers to teach all the rules students need to learn when entering school. Each month teachers will focus on certain Tucker Tips. These tips help teachers be consistent in how they are teaching. Some Tucker Tips for October include using nice words, helping others, cleaning up, keeping hands and feet to yourself and staying in your work and play area.

Be a Super Friend Be Safe Be Responsible

PBIS Parenting Tip:

Use books as teaching tools. There is a huge selection of children's books that focus on emotional literacy. Visit http://csefel.vanderbilt.edu/resourses/strategies.html#list where you will find a book list, book activities and other resources for teaching emotional literacy.

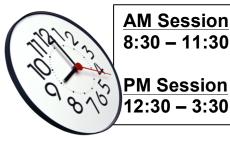

Meet Tucker Turtle......

Parents – say HI to Tucker at Open House. Ask your child how Tucker encourages positive behavior!

Dear Families,

The students at the ELC are off to a great start of learning the rules of school and how to play with their friends. Students are practicing their voice levels throughout the building and learning how to transition throughout the building. During the month of October students will be learning about the different feelings and how to express their feelings. Students met Tucker Turtle for the 1st time on Friday, September 30th! Classrooms are earning marbles for positive behavior and will be rewarded by having "all school" rewards throughout the school year. Thanks for reviewing last September's newsletter with your children – many slips were returned and 2 winners were drawn. The students won a stuffed Tucker Turtle to take home!

Please remember to call the ELC & Prigges if your child is going to be absent.

<u>Feelings</u>

The feelings that have been introduced at school this month include: HAPPY, SAD, MAD, EXCITED, FRUSTRATED, SHY, PROUD, SILLY, DISAPPOINTED, SCARED, SURPRISED, DISGUSTED, TIRED, EMBARRASSED & NERVOUS. Spend time at home talking about these feelings and labeling their own feelings and the feelings of others. Students are also learning appropriate behaviors when having these feelings.

Please review the newsletter with your child, then sign and return this slip for a chance to win a prize in our monthly Family Connections Drawing.
