

SHEBOYGAN SOUTH ONLINE FUNDRAISER

Dear Parents and Students,

Our Music Department is sponsoring a **very important** fundraiser. All profits raised by your child will go directly into your child's individual band account at South. The proceeds raised from this program can be used to help pay for our upcoming Spring trip to Orlando, band supplies, or future trips. We have partnered with a leader in the fundraising industry, Century Resources, who offers a wide variety of quality items. The products are high quality and come with an **unconditional money back guarantee**.

Online Fundraiser Starts Monday, August 8, 2016

Thank you for your help! Your participation is critical in achieving our goal!

Remember—Always tell people the reason for your fundraiser!

Consider sending text messages, emails, or post on Facebook to family and friends not normally locally "reachable" by our other music fundraisers. This is perfect for those folks out-of-town who still wish to support you!
