As a parent, what do you think are the most important things that need to be addressed at Central High ?

Attendance

Need sports at this school

Job readiness, being prepared for life after high school

Respect, Bullying, one on one learning

The safety of students. With so much in the news, I am glad Central is a safe school

How valuable do you find the CHS/LTC collaboration to be?

They do very well

Excellent Program

The program works well, as my son is getting a welding certificate

It is valuable for my children

I appreciate the true life experience

It is a valuable program that helps to get them into the real world

My student went from an F student, to getting A's and B's

Great for their future

Very beneficial! Great experience for my daughter

So many opportunities

Do you have any comments as to how to how you child's school could better engage you and/or your child in the community?

I am very happy with the school and the staff

You do an amazing job!

It is well run. Our daughter feels loved and welcomed. LTC is a great program and so important in getting kids prepared, and the "feeling" of being out of high school and into the adult stage.
