\*Due by the deadline are the **TEAM FEE**, completed Rec. Dept. **ROSTER FORM** with at least six (6) player's names and addresses and **NON-RESIDENT PLAYER FEES (Max. of \$40)**.

**A/B LEVEL:** Teams should be skilled in all volleyball techniques and able to execute offensive and defensive plays in a highly competitive setting.

**"C" LEVEL:** Teams with players who are playing to socialize, enjoy the sport, but are not taking the game too seriously. These players are not spiking. This level does promote proper volleyball skills, but officials will not be as stringent as A/B when making certain calls.

*The Community Recreation Department relies heavily on teams to correctly self-seed into their appropriate level of play. However, the Department reserves the right to make placement changes to improve the overall quality of the league.*

FEES BY LEAGUE	Team Fee	Individual Non-resident **
A & B	Listed Above	\$10.00
C	Listed Above	\$10.00

There is no individual resident fee. A resident is someone who resides in the Sheboygan Area School District. School District residents who live in the towns of Mosel, Centerville and Cleveland pay a \$3.00 individual fee. No refunds of any part of a team fee will be issued. \*\*Four (4) non-resident fees maximum.

**League Schedules will be emailed to team captains. Please make sure to list a working email address on team registration forms.**

## **FALL VOLLEYBALL LEAGUE REGISTRATION REMINDERS FOR MANAGERS**

Volleyball team managers are asked to carefully follow the registration procedures and policies regarding player eligibility and releases. It is also the duty of the team manager to review all the league policies and rules with their team members before play begins.

### **POLICIES AND REMINDERS**

**Six Player Rosters** – The minimum number of players required to be listed on a team roster is six. Teams that will be missing players throughout the year or prefer to have subs are free to carry up to twelve players on their roster.

**Roster Flexibility** – Each player must still be registered with the Community Recreation Department. Roster changes involving any resident player or a “one for one” switch of non-resident players may be made simply by making a phone call to the Community Recreation Department. Any changes (within the rules) may be made until mid-season. Roster will become frozen as of the mid-season date specified on the league schedule. At this point in the season, no further roster additions will be allowed unless permission has been granted by the Recreation Supervisor.

### **Teams may begin play with four player:**

Each team is required to begin the game with 4 eligible players. In the event a player is injured during the game, the team may continue playing with less than 4 players.

**Coed Rule** – Teams must play with either three men and three women or two men and three women or two men and two women (or any combination if playing with less than four). Due to an unfair spiking advantage, a combination of three men and two women will not be allowed at any time.

### **\*\*\*Social Distancing and Covid-19 Rules and Guidelines\*\*\***

1. No Spectators or coaches will be allowed in the building/gyms. Players only! Injured players are also not allowed to watch their team if they were injured prior to the currently scheduled game.
2. Masks must be worn properly (fully covering the face and nose) the entire time anyone is in a school district building.
3. Bring your own water bottles. Water only allowed in the gyms.
4. Stay home if you are sick! Any player who has a noticeable illness will be asked to leave.
5. A sign-in sheet will be present at the game. It is mandatory that each player signs in with their name, date and time each week.
