NEMAK ACHIEVERS SCHOLARSHIP

Nemak
Innovative Lightweighting

Rewarding Your Achievements, Investing in Your Future.

The Nemak Achievers Scholarship rewards students pursuing careers in the automotive manufacturing industry who show high achievement in and out of the classroom. The Nemak Achievers Scholarship offers:

- A \$3,500 scholarship for graduating high school seniors, and
- A 6-week Achievers internship (2025), with the possibility to renew for up to four years--and one additional year for qualified five-year engineering programs.

ELIGIBILITY

- Graduating high school senior from a school near a Nemak facility
- Enrolled in full-time undergraduate study at an accredited four-year college or university based in the US for the entire 2025-2026 academic year
- Major in a course of study that focuses on Engineering, Automotive, or Manufacturing
- Demonstrate an interest in a career in the Automotive or Manufacturing industry
- Must be a US citizen or legally authorized to work in the United States

APPLICATION REQUIREMENTS

- Minimum cumulative GPA of 3.0 on a 4.0 scale (or equivalent)
- 500-word essay answering the question, "Why are you interested in a career in automotive manufacturing?"
- One letter of recommendation
- A list of extracurricular activities, including work experience
- Complete Nemak Achievers Scholarship application online
- Acceptance and completion of a 6-week paid Nemak Achievers summer internship
