

2024 National Public Works Week May 19th-25th

The Town of Sheboygan along the American Public Works Association is proud to announce the theme "**Advancing Quality of Life for All**" for the 2024 National Public Works Week poster. Public works contributes to advancing and enhancing our quality of life, no matter where we live. Public works professionals provide essential services that lead to healthier, happier, more vibrant communities.

The "Advancing Quality of Life for All" theme shines a spotlight on the way public works professionals advance our quality of life, whether it is, solid waste management, snow plowing, sanitary sewers, drinking water, roadway maintenance, parks, or a myriad of other ways we serve our community.

As part of recognizing National Public Works Week, the Town of Sheboygan will be hosting an open house at our Public Works Shop located at 3804 Enterprise Drive from 4:00pm to 7:00pm Wednesday May 22, 2024.

This is not a school-sponsored activity, and the Sheboygan Area School District does not approve, support, or endorse this program/activity.
