

# SHEBOYGAN AREA

SCHOOL DISTRICT

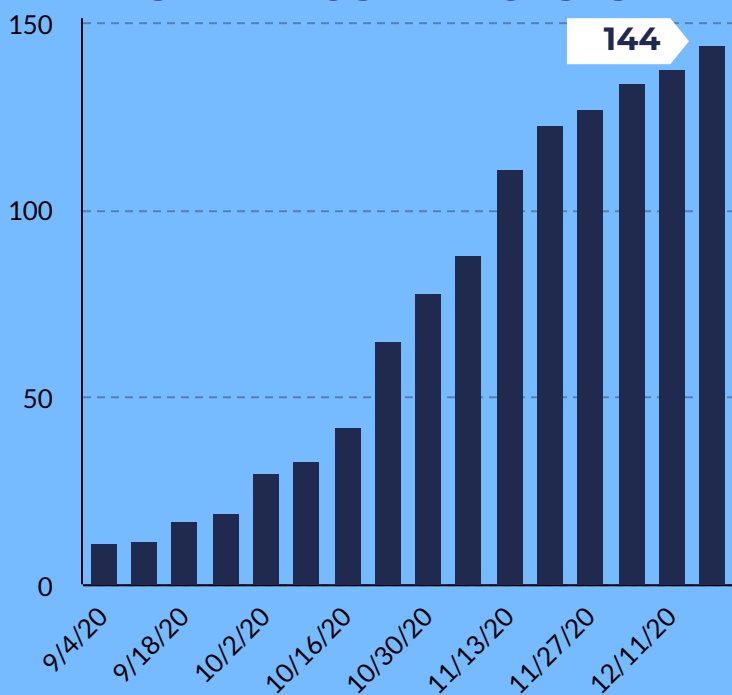

## Decision Making Metrics for Return to In-Person Learning

No single metric provides a universal fit given the uniqueness of each school district. We continue to take the following guidance into account when discussing the safety of face-to-face schooling.

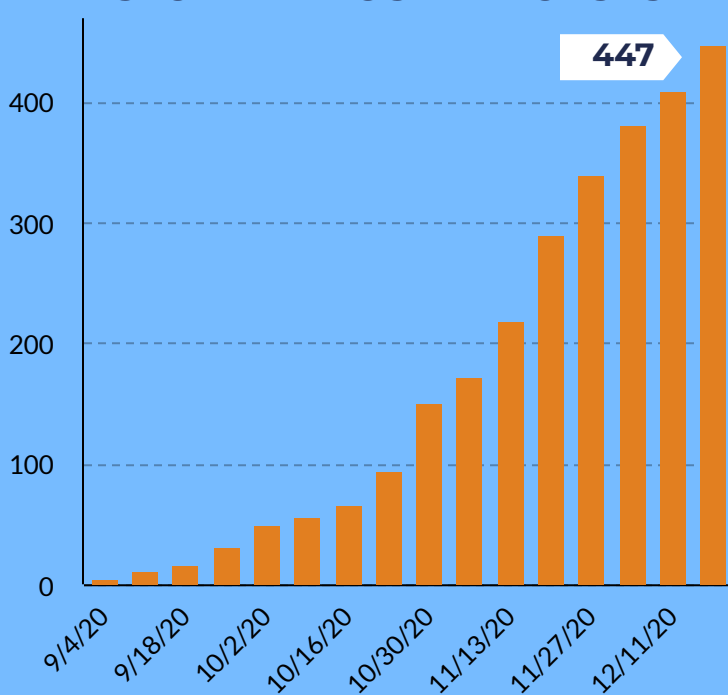

Visit Sheboygan County Division of Public Health for current local information & resources.

	GOAL	CURRENT	TREND
<b>Harvard/Brown Metric</b>			
<b>7-day New Case Average</b>	Less than <b>25</b> cases per 100,000 people	<b>81.4</b> cases per 100,000 people	↑
<b>Active Cases</b>			
<b>Students</b>	Stable or declining number of cases	<b>157</b> cases	↓
<b>Staff</b>		<b>21</b> cases	↓
<b>Children's Hospital of Philadelphia</b>			
<b>Positivity Rate</b>	Stable or declining positivity rates, below <b>9%</b>	14 day trailing average of <b>15.8%</b>	↓
<b>Sheboygan County Activity Rate</b>			
<b>14-day Burden Rate and Trajectory</b>	<b>350</b> or less cases per 100,000 people	<b>1068.9</b> cases per 100,000 people	↑

**STAFF POSITIVE CASES**

**STUDENT POSITIVE CASES**

cumulative totals

Due to our obligation to protect student and staff confidentiality, we cannot share further details about these cases. Identifying students and staff by building or grade level jeopardizes our ability to keep this information confidential.
