SHEBOYGAN AREA SCHOOL DISTRICT PROJECT PROGRESS REPORT

January 2025 Update

SASD staff touring Kewaskum MS/HS

WHAT'S NEW?

Since the successful referendum, SASD Administrators and Bray Architects have been working through several initial planning steps, including:

- Setting up the referendum borrowing schedules
- Finalizing the design schedule
- Reviewing proposals from construction managers
- Touring newer facilities in the area to gather inspiration for the project

On Tuesday, January 14th, the Board of Education selected the combination team of Quasius | C.D. Smith to be the construction managers of both projects.

Additionally, on January 17th, the Sheboygan team – including administrators and principals from Farnsworth and Urban Middle Schools, along with team members from Bray Architects – participated in facility tours to gather inspiration and discuss various design solutions for the project. The facilities visited included:

- Kewaskum Middle/High School
- Vel Phillips Middle School in Oshkosh
- Sheboygan Falls Middle School

PLANNING & DESIGN UPDATE

A Core Planning Team has been established with members of the SASD Administration Team and Bray Architects. This team will meet bi-weekly throughout the design process. Over the past few months, they have been reviewing the quantity of spaces and revising schematic floor plans. The Core Planning Team will also meet with staff and gather feedback between March and June.

TIMELINE

Overall, the design schedule is as follows:

- **Design completion** – January of 2026
- **Construction starts on the Additions** – Spring of 2026
- **Completion of Farnsworth MS** – Fall of 2027
- **Completion of Urban MS** – Fall of 2028

NEXT STEPS

- Further develop the schematic plans
- Set up user group meetings with staff
- Work through exterior design concepts
