Hello!

Lake Country Academy, an independent public charter school serving PreK-8th grade students in Sheboygan, WI, is committed to academic excellence. Over the past 22 years we have grown from a school of 15 students to 453, and it is due to our consistent focus on academics and virtues. As a charter school we receive the majority of our funding from the state, but must rely on extra fundraising to cover expenses outside of our normal budget. This year our proceeds will be used to make improvements to our school kitchen and cafeteria so meals can be prepared onsite.

Our annual fundraiser, **SHAKE OUT**, will be held March 2, 2024 and will include entertainment, raffles and live and silent auctions. Would you consider donating to our auction? We would appreciate any donation for our event. Donors will be recognized during our promotional activities as well as during the event. Each donation to Lake Country Academy, a 501(c)3 non-profit organization, is 100% tax deductible!

We are so grateful for our supporters through the years. If you have donated in the past, thank you. If you are willing to donate today, thank you. If you will keep us in mind for future donations, thank you. Your support is greatly appreciated.
